

KYABRAM CEMETERY

The first known burial in the KYABRAM CEMETERY was that of Mr. Peter Clark who died on 14.9.1907 and was buried on 16.9.1907.

It has been difficult to find those buried in the KYABRAM CEMETERY pre 1944 if they did not have a Tombstone, as the records were destroyed by fire in 1944.

Sources used were:

"Kyabram Free Press".

Registry of Deaths between 1907 and 1944.

Church of England burial records from 1928.

Echuca Hospital Records.

Plans of KYABRAM CEMETERY. (Which are incomplete.)

Cemetery records from: Tongala Mooroopna
Echuca Rushworth
Rochester Tatura

In some records from the Registry of Deaths I have written the denomination of the Clergy at the Burial. This does not necessarily mean that the burial took place in that Section.

Special thanks go to Mr. John Scarce, Genealogical Research Officer at the Registry of Births, Deaths and Marriages, for his help and co-operation which was greatly appreciated.
